

HIGHLIGHTS & HAPPENINGS

UPDATES FROM YOUR TOWN OF GRAVELBOURG COUNCIL

RIPE FOR THE PICKING

With all the moisture we received this spring and summer, everything has been growing like crazy from the grass to the weeds to the trees. Many fruit growers are experiencing bumper crops this year, and the Gravelbourg Community Orchard is no exception. There are lots of seabuckthorn berries and apples still waiting to be enjoyed. The orchard is located on the west side of Bettez Street (near 5th Avenue) and was planted over 20 years ago in partnership with PFRA.

Please respect your local compost site!

NO WOOD – A friendly reminder that the compost site is no longer able to accept wood or branches. New wood disposal sites are located on the north side of Nichol Avenue across from the grain elevators.

NO GARBAGE – Household garbage belongs in bags in your household grey cart. Many additional items may be disposed of at the Transfer Station free of charge. Check the Town website for more details.

SPORTS & RECREATION

2025 WAS THE BUSIEST AQUAPLEX SEASON TO DATE with group and private lessons, advanced courses, public Aquasize and lane swims, birthday parties and private rentals, a water polo clinic, countless hours of public swims, and more. We couldn't have done it without our amazing staff and community support. See you in 2026!

LA PALESTRE ARENA will be looking for volunteers to help with the ice-making process beginning in late September/early October. Stay tuned for updates on when you can pitch in and help bring our community rink to life. Every pair of hands makes a difference!

ADMINISTRATION

DEVELOPMENT PERMITS – Want to resurface the grass on the boulevard adjacent to your property as a xeriscape garden or parking pad? Want to add a building or shipping container to your property? These and other modifications qualify as "development" and there is an application process that must be followed in order to receive Council approval for your proposed changes. Contact our helpful staff today!
