 NEXT COUNCIL MEETINGS:
May 5 & 19

We're happy to officially welcome Bullin Construction to Gravelbourg as work gets underway on the 1st Avenue water and sewer main replacement project.

This is a major project for our community and an important investment in infrastructure that will serve us well into the future. You'll start to see crews, equipment, and increased activity along 1st Avenue as work progresses.

At the same time, our Public Works team will be hard at work across the community. In addition to supporting this project, they'll be focusing on road maintenance, sidewalk repairs, upgrades at the transfer station, and repairs to park sprinkler systems, along with many other day-to-day improvements that help keep our town running smoothly.

We know construction season can bring some challenges, especially with traffic disruptions, so we truly appreciate your patience and understanding as we navigate this together. We'll continue to keep disruptions as minimal as possible and keep you informed along the way.

If you have any questions, don't hesitate to reach out to the Town

Office, and be sure to follow our website and social media for updates. Thanks everyone for your cooperation and support as we move forward with this important work!

-Mayor Matt Forest

COUNCIL QUIPS

A ROUND OF APPLAUSE and a big thank you to the performers and organizers at the **Gravelbourg & District Bilingual Music Festival** in April, after putting on another very well-organized event. The amount of talent in this community continues to amaze. All your hard work putting this on each year shows, and is highly commendable! Great job!

-Donovan Fehr

SPRING SEEMS TO BE SETTLING in at last (fingers crossed we're done with the false springs). Warmer days and dry streets mean more people are out biking, walking, and enjoying the change in season. **If you're behind the wheel, keep an eye out for the extra activity around you.**

-Zach Ogilvie

FOLLOWING OUR RECENT AGM and April meeting, **Dirt 2 Dreams** has exciting momentum building! The organization is working toward a 160-acre farmland pledge goal, with farmer outreach now underway. Keep an eye out for our new signage going up at both town entrances! The board reaffirmed its commitment to funding shovel-ready community projects within our community. **A student board volunteer position remains open for any youth passionate about community impact** – if this sounds like you, we encourage you to reach out, we would love to hear from you! Stay tuned to our social media channels for updates and community impact announcements. Proud to be part of this incredible local initiative!

HIGHLIGHTS & HAPPENINGS

UPDATES FROM YOUR TEAM AT TOWN OF GRAVELBOURG

MAY 2026

AVIVA "CHARGED FOR CHANGE" EV STATION

Thank you to everyone who came out to celebrate Earth Day and the grand opening of the Soucy Park EV charging station. The project was 100% funded by the Charged for Change program. Gravelbourg was one of only 25 communities selected nationwide during the program's 3 year run.

WANT THE MOST CURRENT INFORMATION ON THE WATERMAIN PROJECT?

View recent updates, traffic plans & more.

PUBLIC WORKS

SAFETY IS EVERYONE'S RESPONSIBILITY – Respect the crews working hard to maintain and improve your community. **Stay informed with regular updates on gravelbourg.ca, obey all traffic and parking signage, and avoid work areas when possible** – your cooperation is appreciated!

HOUSEHOLD HAZARDOUS WASTE COLLECTION courtesy of Product Care Recycling will be available at the local transfer station on **Wednesday May 20 from 12:00PM-6:00PM** – for more details and to find out what type of materials can be accepted visit:  productcare.org/saskatchewan

SPORTS & RECREATION

POOL SEASON NOW OPEN! We're excited to welcome residents back for another summer season of aquatic programming and public swim opportunities. There are still spots open to register for swim lessons. **For the current schedule and more Aquaplex information, visit:**

 gravelbourg.ca/recreation/aquaplex_centre.html

ADMINISTRATION

PET LICENCES – As per the new bylaw, **please register all dogs and cats at the Town Office** prior to the end of the 90 day grace period. Responsible pet ownership is another great way you can show up for your community!

STREETLIGHT OUTAGE? Report it online to SaskPower and receive email updates regarding the status of the repair. **Excludes decorative lampposts on Main Street.*
