January 2018 ACTIVITIES REPORT

Town Video

- Did two videos with College Mathieu and Credit Union
- Prepared question for Council for the Town Video.

Youth Entrepreneurship

- Junior Achievement programs offers students the opportunity to go through every step of starting a business, the students can make money out of it (which could be a good motivator for them to participate)
- Short online training for Junior Achievement programs.
- Was recommended by the Saskatchewan JA coordinator to attend the teacher collaboration day in Regina on February 12th, where the information on how to bring junior achievement programs to a community.
- Once I have more information about the program, I will try and meet with the schools.

Various

- Attended the Valued Volunteer Workshop.
- Continued support to two businesses.
- Working on an economic development strategy, focused on business retention and expansion, youth retention and revitalization of main street.
