#### JULY 2018 ACTIVITIES REPORT

##### **Economic Development**

- Town video was finished and published on July 13<sup>th</sup>.
- Met with a group of “creative” home-based businesses about having an artisan coop. Project in development, my office will be a support to the group. Done some research on co-ops and potential support available.
- Preparation for the Junior Achievement program.
- Completed the Town Profile to be added to the welcome bags. Took pictures of Town to renew our current picture bank.

##### **Museum**

- Working on a website that showcases historic pictures of the town and created QR code that can be scanned with a smartphone. The goal is to have the QR codes around town at the spot where the historic picture was taken. Would be like the Heritage Walk but integrating technologies.
- Had a documentarist come to the Cathedral.

##### **Various**

- Working on an escape room to raise funds for the convent (see proposal)
