ANNUAL FALL CLEAN UP

Monday October 29th, 2018 Starting at 8:00 am

The Town will be picking up all acceptable material placed in the back alley / Morin Cres. front yards.

All material for pick up must be placed in an orderly manner and placed in waste containers,

bags or boxes and should not exceed 40 lbs.

Please do not obstruct back alley traffic!

PUBLIC WORKS WILL PICK UP THE FOLLOWING:

- **Tree branches must be cut into 4 ft lengths and tied in bundles.**
- **Leaves & garden refuse must be bagged.**
- **Stoves, washers, dryers & water heaters can be placed in back alley for pickup that day only.**

PUBLIC WORKS WILL NOT PICK UP THE FOLLOWING:

Any items containing Freon (fridges, freezers, air conditioners), shingles, concrete, automotive parts, building materials, whole trees and branches that are more than a truck load

must be delivered to the landfill site by the homeowner.

Tires or hazardous materials are NOT ACCEPTED at the Landfill

Composting items (grass clippings, leaves, garden refuse) can be taken to the compost site by the homeowner. The compost site is open at all times and is located on Bettez St & 6th Ave West, follow the road to the west and the compost piles are located to your left. Please dump your items in the marked pile and remove any containers or bags from the site.

**PLEASE – DO NOT DUMP CEMENT, TREES OR BRANCHES AT THIS SITE
TAKE THEM TO THE LANDFILL**

Thank you for helping to keep our Town clean...
