November 2018 ACTIVITIES REPORT

Economic Development

- Junior Achievement (youth entrepreneurship): Weekly meetings and preparation.
- Green committee (name TBD): had a meeting to plan the core of the committee, planning for a public meeting in January to develop the goals of the committee
- Was asked to join a steering committee for the establishment of a Local Immigration Partnership (LIP): via the Moose Jaw Multicultural Council, it's a federal initiative to implement LIPs, the role of the steering committee is to provide input on the documents that will constitute the LIP, unlikely to require attendance at meetings, done via email.
- Assisted the Still Standing team with research and information they asked.
- Started working on a Terms of Reference for the Participatory Budget committee

Museum

- Museum Grant Program application completed and submitted
- Attended Community-Engaged Museum meeting on November, from that meeting, the group decided to begin exploring the ecomuseum. The first step will be a community-wide survey, did a first draft of the survey.

Various

- Convent meetings
- Worked on my 2019 budget
- Monthly report on the French radio.
