

SUMMER SWIMMING

The Gravelbourg and District Swim Club is a **competitive** summer swim club that has an intensive training season from beginning of May through the end of July. We are registered with Swim Saskatchewan and Swim Canada. The swimmers are coached in stroke improvement, endurance, meet procedure and participate in swim meets.

BACK THIS YEAR! The GSC is continuing to offer a **non-competitive** strand. These swimmers, like the competitive swimmers, have the opportunity to work at improving their strokes and endurance, but do so during the months of May and June. These swimmers would not participate in swim meets.

Practice Days will be as follow:

May: Tuesday, Thursday, Friday

June: Monday, Wednesday, Friday

July: Tuesday, Wednesday, Thursday

*Note: The non-competitive group will swim the first 2 days of the 3 listed.

CLUB PHILOSOPHY

The focus of the club is to develop swimmers with excellent swimming technique, traits of good sportsmanship and team spirit, and to create a positive environment for friendships to develop between swimmers. The club provides a positive atmosphere that focuses on personal growth. **We emphasize effort and improvement, not winning.** Remember, not every swimmer becomes a record holder, but everyone gains from their swimming experience.

All coaches are certified and/or trained NCCP swim coaches.
