The Town of Gravelbourg is requesting that residents refrain from flushing personal Hygiene products, wipes of any sort including baby wipes, or any other material that does not dissolve. There was a major blockage recently and the blockage was caused by baby wipes. As this was in the Main, every ratepayer pays for the work needed to clear these blockages and the cost and inconvenience of potential sewer backups caused by these blockages.

I thank you in advance for your cooperation.

Joan Corneil, CAO
