RE: Resumption of Laboratory and Medical Imaging General Radiography Services

Re-Opening of Lab & Medical Imaging General Radiography Services

To ensure the safety of our staff and patients while complying with Public Health orders surrounding physical distancing, the procedure for processing Lab/General Radiography requests has changed. As we gradually resume health care services, appointments will now be required in the following sites:

Site	Procedure	Phone/Fax
St. Joseph's Hospital/Foyer d'Youville -Gravelbourg	Requisitions will be given to the patients who will be asked to call the department to make an appointment for General Radiography and Laboratory Services.	306 648-2237
Assiniboia Union Hospital	Requisitions will be given to the patients who will be asked to call the department to make an appointment for General Radiography and Laboratory Services.	306 642-9400
Dr. F.H. Wigmore Regional Hospital –Moose Jaw Crescent View Clinic Laboratory - Moose Jaw Alliance Clinic Laboratory – Moose Jaw	Requisitions will be given to the patients who will be asked to call the department to make an appointment for General Radiography Services or an appointment for Laboratory Services	Radiology 306 694-0381 Laboratory 306 694-0391

Patients will be examined safely by using the rules of social distancing and enhanced cleaning between exams and may see extended wait times. Patients may be asked to return to their car to be called into the facility, or asked to return at a later time for their exam.
