

# Mid-Winter Class Schedule

## Is Winter Weighing You Down?

Artistic Creations Gallery always has something going on. Join a class and learn a new skill. Take an advanced class to develop your skills in an art form you already know. You could even drop in to socialize over games or an afternoon of knitting/crochet; meet up with friends or develop new friendships. All roads lead to Artistic Creations.

**Watercolor** for beginners with Lillian Ford

**\$60.00** (All materials supplied)

This 2-week course introduces beginner watercolorists to the art and techniques of working with a water-based medium. Seasoned or new artists will benefit from the skills learned in this class.

### Special Events and Parties

Make Artistic Creations part of your special celebrations. We have rental space for small gatherings, and can even build age-appropriate art or craft packages to fit your needs. If you are planning a birthday party, reunion, or even looking for a unique bridal activity, give us a call to discuss your creative ideas and options.

**Stained Glass for Beginners**     **\$100.00**  
(All materials supplied)

In this hands-on introductory course, new participants learn the stained glass basics of cutting, grinding, taping, and soldering to create a stunning sun catcher or similar small object. Small class sizes.

**Intermediate Stained Glass**     **\$100.00**  
(All materials supplied)

Designed for those wanting to take their skill and understanding to the next level. Knowledgeable instructors guide students through the process of creating larger, more complex designs.

**Stained Glass Drop-In**     **\$20.00/session**

Experienced students with their own basic materials can drop in and use the studio's equipment and grinders for personal glass projects. Instructors are always available to provide help, guidance, and advice wherever required.

**Pottery for Beginners** with Sherry Richards     **\$60.00** (All materials are supplied)

This two-week, hands-on creative class introduces students to working with clay. At the first class, students will work and shape their clay into the desired shape. Lots of inspirational examples are available. After the initial class, the shaped work will be fired and returned for the second class. During this second class students will paint and/or glaze their unique creations and prepare them for the final firing. Finished projects will be available for pick-up at the gallery.

*(Note: To be scheduled in*

**Pysanky**     **\$60.00** (Materials supplied)

Take the family's Easter egg hunt to a whole new level. Learn pysanky, the unique and intricate art of Ukrainian Easter egg design and technique.

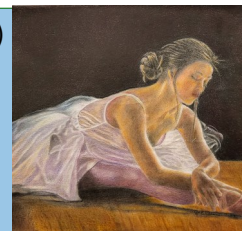

**Mandala Dot**     **\$60.00** (Materials supplied)

Art doesn't have to be stressful. Relax and create exciting art with the simple techniques of Mandala dotting. This project is excellent for group and/or family activities.

**Fundamentals of Art**     **\$25 per session** (Students are required to have their own supplies — list provided)

*Develop essential skills for creating realistic paintings and drawings.* This course starts at the very beginning, with each lesson building on the one before. This long-term class moves along in short, logical steps developing essential building blocks to ensure a strong foundation for the beginner artist, and helping seasoned artists fill learning gaps. All foundational principals learned are transferrable to other mediums. Extremely limited class size for maximum attention to each student's needs. Only three more spots available.

**Art Quilting**

**\$125.00** (All materials supplied)

In this 6-week class, participants will choose from several design options to create a unique art quilt wall-hanging. The techniques used are the same as those used for Gravelbourg's community art quilt. This class focuses on creating the quilt top; however, finishing and quilting options will also be discussed.

413 Main Street, Gravelbourg

Phone: (306) 648-7030

**\*\*Reserved spots can not be guaranteed without payment.**
